Colleagues,

The President has made public his intention to nominate Acting Administrator Wheeler to serve as the Administrator of the Agency. OCIR is requesting that we use this time to compile all of the information the Administrator will need to prepare for the hearing. The Administrator's confirmation hearing will be a more intensive confirmation process compared to others we have dealt with over the past two years. We must ensure we deliver a quality briefing to Administrator Wheeler that prepares him for the confirmation process. Additionally, when your programs prepare the briefing materials, you must also produce Q&A that your AA will ask the Administrator at the conclusion of each briefing session. Please prepare at least 30-45 minutes' worth of questions. These questions may also be used in the murder board.

Please see the action items below and the deadlines. These are hard deadlines so please, have staff begin working on these materials as soon as possible. Email me with any questions.

Thanks!
